### **Squash**

#### **New members important**

#### **Cleethorpes Cricket & Squash Club**

Firstly, welcome to Cleethorpes Cricket & Squash Club and to the Squash section.

Just a few things for you to know as a new member of our club.

We have monthly squash leagues which are on the MyCourts booking system and on the Notice board in the squash court area. There is a sheet that you can put your name on if you wish to join the leagues. As a club we strongly recommend joining the leagues as this is where you will get the most out of your squash membership and get to meet other members and arrange friendly games also.

There is a club night which is on Friday night from 5.45 which is run by Harry Falconner. It's open to all abilities and is a great way to get to know the other members and arrange games.

The squash section is members only, but you can have a guest to play 3 times but after that they must join club.

We insist that non marking shoes are worn on court only, and that you do not wear shoes that have been worn outside as this can damage/mark the courts.

We ask you arrange a 30-minute induction as a new member so we can explain the lay out and facilities at the club. This is great opportunity for you ask any questions you may have.

There is a well-stocked club shop which is run by Harry Falconner.

If you need anything squash related like grips, balls, rackets, shoes etc please contact Harry who will be more than happy to help.

We offer coaching for player wishing to improve their game or just their understanding of the game, and this can also be arranged through Harry Falconner.

We have an active Facebook page which is great for keeping up with what's going on at the club and can be found by searching "Cleethorpes Squash & Racketball Club" on Facebook.

Any questions please get in touch or speak to a member of staff behind the bar or a fellow member.

Thanks

The Membership Secretary.
