

IMPORTANT NOTICE REGARDING FIREWORK NIGHT

Friday November 7th 2014

As we are all aware our 3rd Firework Party Night will soon be upon us with a more spectacular display planned than ever before.

Anticipated time of Fireworks – 7.30pm

All are requested to note the following:-

Entrance is via Chichester Road only with gates opening from around 5.30pm.

No on-site parking will be available; the car park is likely to close from around lunch-time as the Fairground is anticipated to commence setting up from 12 Noon.

All drinks from 5pm will be served in plastic glasses until notification is given to staff that glass may be used.

Please refrain from abusing staff regarding this policy, they are only carrying out the instructions they have been given.

Please note the above includes people bringing their own glasses, we as in previous years are adopting a NO glass policy.

The 10pm rule for children will be in operation.

Squash Players who have booked courts during this period will be required to obtain a voucher in advance to gain admission.

All are reminded that Food will be on sale, Andy Carr will be once again be Entertaining us with his Disco and it is hoped that Tuckers will be providing Fair Ground Rides. To cope with demand an outside bar will also be in operation.

Many Thanks in advance for your co-operation

D.Cressey

Facilities Manager – Cleethorpes Cricket Club
